ABOUT MATILDA ENGELLAU

Matilda Engellau joined Zacco in 2005 and is working with all aspects of IP administration including patent, trademark and design.

Her tasks include administration in relation to prosecution, oppositions and appeals i.e. filing of applications, responses with authorities, correspondence and contacts with clients and foreign agents.

She has a role as Key Account Assistant of one of our largest Key Account teams which includes involvement in strategic issues and IP portfolio management.

Matilda has a bachelor degree from University of Stockholm. She has attended courses in patent law and practice at IP Akademin in Stockholm. Matilda is also a super user of Inprotech, DMS specialist and a daily user of Ipendo Platform.
