ABOUT HENRIK VINCENT FALK

Henrik has been working with translation since 1991 and specializes in translation of patents from French, English, and German into Danish. When joining Zacco's Translations Team in 2010, particular emphasis was placed on translation from English into French within the fields of mechanics, electronics, chemistry, and biochemistry. Furthermore, he translates all sorts of legal IP texts such as litigation and trademark documents.

Henrik holds a master degree in Translation and Interpretation in French and a bachelor degree in English and German Business Language. He is a certified translator within the following language combination French/Danish/French.
