ABOUT VIKTOR CRAGÉUS

Viktor works with patent consultancy in the fields of electronics and systems technology, with an emphasis on control systems and signal processing. He advises clients on strategic patenting issues and deals with most matters relating to patent prosecution, including searches, drafting of patent applications and investigations.

He joined Zacco in 2008. He graduated with a Master of Science degree in Electronics from the Royal Institute of Technology (KTH) in Stockholm in 2007, with a specialization in control and system theory.

Prior to joining Zacco, Viktor worked in sales in the electronics business and had also held a position as a teacher of mathematics, physics, and language.
