ABOUT ANAHITA MASOUMI

Since joining Zacco in 2021, Anahita has been actively involved in monitoring and managing trademark registrations. She also provides assistance in opposition and cancellation cases, as well as in copyright cases.

Anahita's expertise also extends to Design Filings, where she continues to expand her knowledge and experience, and she has now completed the Specialized Course on The Hague System for International Registration of Industrial Design. In 2023 she also successfully finished a course on Piracy and EU Design.

Anahita holds a Master in Law from the University of Copenhagen. She is fluent in Danish, English and Farsi.
